ALL STAFF-#294709-v1-361614 - INTERVIEW REGION 9.DOCX

Hi David,

Attached are our general questions we will be asking about during our Friday meeting. In addition, we would like an update on the status of California's program, as it is one of the states in our review. Any letters or documented correspondence between California and EPA would be helpful. Thank you.

Hi John,

We are scheduled for this call next Friday. Would it be possible for you to send the questions that will be of particular interest for us to respond to on the call?

Thanks, David

Thanks David. July 24<sup>th</sup> would work best for the GAO team—one of our analyst will be out of the office on the 27<sup>th</sup>. Let us know what timeframe works best that day for a two hour meeting. Our team is located in Washington, DC and Denver and we are used to working with time zone differences so feel free to schedule a time that is most convenient for you.

We plan to share questions with you prior to the call to help make our conversation more efficient.

Hello John,

I've coordinated with our Enforcement Division and it looks like the best time for us to meet would be sometime on Monday July 27<sup>th</sup> if that is possible. Alternately, we could make Friday July 24<sup>th</sup> work. If neither of these days is acceptable, then we will probably ask to push this back to the latter two weeks of August due to vacation schedules.

Thanks,

David

Good Afternoon Mr. Albright,

I hope this email finds you well. As you may know, my colleagues and I at the Government Accountability Office (GAO) are reviewing EPA and state class II program enforcement as a follow-up to our previous report, [GAO-14-555](#). To ensure continuity, we're planning to speak to the same regions and states for this report, including Region 9. We would like to schedule a phone meeting with you during the week of July 22. We are asking for your assistance in identifying the appropriate staff to speak with us about the UIC program, and in particular, the Region's oversight of state class II programs. We will likely need two hours of your time and ask that you provide some potential meeting times that would work for you and your team. If you have any questions feel free to contact me at 202-512-2580 or [hockerj@gao.gov](mailto:hockerj@gao.gov) or Micah McMillan at 303-572-7319 or [mcmillanm@gao.gov](mailto:mcmillanm@gao.gov). Thank you.

Regards,

John
